Horizons Day gave students the opportunity to gather information on a wide range of issues.

The theme of Horizons Day 1996 was "Democracy in Action." It was a day devoted to political discussion and information. The event included a voter's information fair that offered the Mount community a wide range of political points of view. The day concluded with a panel presentation facilitated by Dr. Pam Haldeman and Dr. Pat Disterhoft. Presenters included MSMC students, Laurie Levenson, law professor at Loyola Law School and Carolyn Webb de Macias, Chief of Staff for L.A. City Councilman Mark Ridley-Thomas.

CATALINA '96

Destination: Catalina

Mitzi captures the moment

"We're Happy to be Here!"

Jessica, Mitzi, and Susie relax and catch some rays!

Swimming, snorkling, hiking, shopping, tanning, and touring were some of the options given to the Freshman Class on their trip to Catalina Island. Surviving the transition from high school to college, MSMC annually invites the Freshman Class to Catalina Island for their mid-semester break. On October 13th, the Freshman boarded the buses heading for San Pedro Harbor where the "Catalina Express" was waiting to take them to their destination.

Upon arrival at Catalina, students boarded trams to tour the Island. After the tour, students were free to enjoy the day at their leisure. Many decided to shop and sightsee, while the daring ones took out a boat and went diving.

Exhausted after a day of complete fun, the MSMC women were ready to head home. The Freshman Class left Catalina with memorable moments and souvenirs to decorate their dorms.

SOME ENCHANTED EVENING

March 14, 1997
Universal
Sheraton Hotel

The day was March 22, 1997, when the Athenian Athletes set out to prove themselves strong. Eight teams of athletes participated in five events where their physical abilities and team strategy were put to the test. This annual event takes place on the Chalon campus but both campus participate. The night before the actual event, the athletes gathered for a Toga Dinner of carbohydrates in order to help them perform the next day. Like every year, the day was a blast and we look forward to next year's game.

Just look at that face--does she look determined or what?

Catina Negrete is showing us that no sack can stop her.

After the actual events, the athletes still have energy to play on!

Have you ever heard of bopping for apples? Well, here's swimming for fruit!

"Yuck!! This whip cream is gross!"

After a long day, our Athenians need something to snack on.

The ASB Amazons, Sandy Rabadi, Trish Pena and Donalyn Lorenzo use a little team work to get through this activity.

Here they are--the 1997 Athenian Day Champs--The Luscious Limes!

The Second Annual Family Day was held on April 5, 1997, at the Chalon campus. The day consisted of food, folks and fun. Students and their family members enjoyed games organized by the Family Day Committee. The day is designed to allow students' families to become more familiar with the campus and to have college memories to share with their students.
